#### Television

Saturday Night Live, SNL work week was Tue-Sat. I was a third, which allowed me to be involved with the development of the characters throughout the cast of the show (Sheri O Teri, Will Ferrell, and Tim Meadows). Worked with guest artist from Alec Baldwin to Christopher Walken. Most of the musical guest (No Doubt).

I also groomed various other programs for many political figures, including the last four Presidents of the United States.

#### Film

Teaching corrective color has given me an extensive back ground in hair color which can come in handy for quick color changes to on-site touch-ups. I also have a wig stock that ranges from human lace front wigs to synthetic.

I always look forward to new projects.

I thank you for your time and consideration.

Sincerely,
